WITHER By Vybrant AB I've played the game for over 2 hours, and I can say that this game is amazing. So far, every level is so much fun, and I can't wait to play more. The BGE is a really nice feature, because I can switch on certain things when I want, and these do not impede the games that I play. The game feels alive, and you never know what will happen next. I almost never miss any kind of breaking point, and I usually get a few deaths in each stage. This game has a few flaws though. It looks kind of dull, because the caves look like they're from Minecraft. The weapons just don't have a good feel to them, because they don't have weight, they are just 1x1 squares, without any kind of thickness. The game also has a blurry effect, and the animations are very unnatural. Some of them are really weird. The game has an epic feel to it. The storyline is great, the gameplay is great, and I just can't stop playing. You can get high levels, and there's a lot to discover. I will not go wrong with this game, it is just amazing. DO YOU NEED FRIENDS By Wajahab Hamdi I played this game for about 25 hours and I can proudly say this game has amazing quality. The graphic is so good, the monsters are really fun to fight. I chose to be a Ranger and as a ranger I'm so happy to be able to wield an axe and a gun, and the gun feels really heavy and powerful in my hands. I feel like shooting an enemy for the first time. The soundtrack is really good and it matches perfectly with the gameplay. There are about 8-10 maps for each difficulty and they're all really fun. The main downside to this game is the lack of content, especially for high levels. Some of the enemies in the final 5 stages just come from nowhere, and I need to restart a lot more than I should. Overall, this game has amazing quality, but it lacks a good amount of content. NIGHTMARE ADVICE By Wajahab Hamdi I was never too fond of horror games, but I was surprised by the game a lot. I don't know how to describe it, but the enemies, monsters, and the game is all really interesting. Although the battles bff6bb2d33
